

FOR IMMEDIATE RELEASE
Augmentity Launches Chicago Office

ATLANTA, GA. – Nov 1, 2008 – Augmentity, a leading provider of enterprise computer hardware and storage solutions, today announced the expansion of its operation to Chicago, Illinois. Augmentity will deliver IT infrastructure products and solutions to an expanding base of financial, manufacturing and law firms, located in the Chicago area.

"This market provides a unique opportunity for Augmentity and the partners we support." said David Hilbish, president of Augmentity, "Our customers have responded very positively to the expansion, and this continues to be an exciting time for Augmentity. Over the coming months, we will be adding several jobs, particularly in technical sales and professional services delivery to Chicago market."

Augmentity's newest facility provides expanded Central time zone support for global customer operations at Augmentity International. The Chicago office will host sales, technical and support personnel for Augmentity and Augmentity International. Headquarter operations in Atlanta, Georgia are unaffected.
